Commissioner of Patents and Trademarks

**Response to Rule 312
Communication**

Application No.
08/443,340

Applicant(s)
Campana, Jr. et al.

Examiner
William Trost

Group Art Unit
2608

☐ The petition filed on _____ under 37 CFR 1.312(b) is granted. The paper has been forwarded to the examiner for consideration on the merits.

☒ The amendment filed on Oct 23, 1996 under 37 CFR 1.312 has been considered, and has been:

☒ entered.

☐ entered as directed to matters of form not affecting the scope of the invention (Order 3311).

☐ disapproved. See explanation below.

☐ entered in part. See explanation below.

1. The following is an Examiner's Statement of Reasons for Allowance:

The prior art of record fails to teach or reasonably suggest a system for transmitting originated information from one of a plurality of originating processors contained in any electronic mail system to at least one RF receiver or destination processor, wherein the originated information is transmitted over an RF transmission network to the one RF receiver or destination processor, and for transmitting other originated information from one of the originating processors, which is transmitted through a wireline without using the RF transmission network, the system comprising at least one interface, the at least one interface coupling the electronic mail system to the RF transmission network, wherein an address is added to the originated information before transmission of the originated information by the RF information transmission network, to the at least one RF receiver when the originated information is transmitted from the at least one interface to the RF transmission network.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to William Trost whose telephone number is (703) 308-5318. The examiner can normally be reached on Tuesday-Friday from 7:30 a.m. to 5:00 p.m. The examiner can also be reached on alternate Mondays. The fax phone number for this Group is (703) 305-9508.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the Group receptionist whose telephone number is (703) 305-4700.
